NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-521-2227 or at <a href="https://policy-srv.box.com/s/xqnvudnrtpnzw1q7vih9u22vhpudp46">https://policy-srv.box.com/s/xqnvudnrtpnzw1q7vih9u22vhpudp46</a>.

| Important Questions  | Answers   | Why This Matters:   |
|--|---|---|
| What is the overall deductible?  | In- <u>Network:</u> \$2,000 Individual / \$4,000 Family<br>Out-of- <u>Network</u> : \$5,000 Individual / \$10,000 Family    | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .   |
| Are there services covered before you meet your deductible?  Yes. Services that charge a copayment, prescription drugs, emergency room services, certain preventive care and In-Network diagnostic tests, are covered before you meet your deductible. |   | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>www.healthcare.gov/coverage/preventive-care-benefits/.</u>  |
| Are there other deductibles for specific services?   | No.   | You don't have to meet <u>deductibles</u> for specific services.  |
| What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?   | In- <u>Network</u> : \$6,500 Individual / \$13,000 Family<br>Out-of- <u>Network</u> : \$10,000 Individual / \$20,000 Family | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.   |
| What is not included in the <u>out-of-pocket limit?</u>  | Premiums, balance-billing charges, and health care this plan doesn't cover.   | Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .  |
| Will you pay less if you use a <u>network provider</u> ?   | Yes. See <u>www.bcbstx.com</u> or call 1-800-810-2583 for a list of <u>network providers</u> .                              | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge and what your plan pays (balance billing)</u> . Be aware, your <u>network provider might use an out-of-network provider for some services (such as lab work)</u> . Check with your <u>provider before you get services</u> . |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?   | No.   | You can see the <u>specialist</u> you choose without a <u>referral</u> .  |
